Tired of havin' nothin' to do on a Saturday afternoon?

Why don't you get snappin' and build your fun from the ground up? You'll feel everything just click into place at our special program this month:

Let Everyone Get Organized with "building blocks". 2-4 PM on Saturday the 22nd, ages 5 and up. The man above is made entirely out of a certain favorite brand of snap-together building blocks. You know the kind we mean! Bring your ideas and "plastic building blocks" and we will provide the table space. Come spend the afternoon building your most ingenious creation and have some fun with fellow builders. **Donations of "plastic building blocks" are welcome. For more information call, 229-3588 ext. 256.**

Holy® registered trademarks, Batman!

Does that mean we should bring Lincoln Logs®?

January is official **Get Organized** month!
So **Let Everyone Get Organized!!**

I'm all for it, if by 'organized' you mean 'organized crime'.

No, Boy Wonder®, it simply means we legally aren't supposed to mention the brand name of the sort of plastic blocks we are talking about.The very kind you and I happen to be made of... Curious.... in fact.... a... (dare I say?).. Riddle..? ... a slinky, feline sort of riddle... something is... fishy about all this, Robin... as fishy as the Antarctic bird habitat at Gotham Zoo...almost... like one big Jo -... Quick, Robin! We must get to that program! I fear the... Joke... may be on us!
