Expectations for Behavior

Alamance County Public Libraries is a place for everyone, shared by the community and used by many different people for widely different reasons. Here's what we expect of all our users:

- We expect users to respect the comfort and safety of fellow library users and library staff. If your behavior is making others unsafe or uncomfortable we'll ask you to stop.
- We expect users to comply with requests from library staff. If you don't, we reserve the right to suspend privileges and/or access.
- We expect users to comply with local, state, and federal laws. If you break the law, we may prosecute.

If you feel that something or someone is making your experience here uncomfortable or unsafe, please let a staff member know.

Safe Child Policy

For their safety, children 9 years of age and younger must remain in the company of a parent or caretaker while in the library. Children 9 and under are welcome to attend programs alone, but their accompanying parent/caretaker must remain in the library in case of emergency. Children 9 and under that are found unattended will be monitored by a staff member until a parent/caretaker is located. If unable to locate a parent/caretaker, staff will contact the police.

Persons of any age with mental, physical or emotional disabilities which affect decision-making skills or render supervision necessary, must be accompanied by a parent or responsible caregiver at all times.

Library staff are not responsible for the supervision of patrons.
