Do you love the library, but are homebound or disabled and can't get here? We can help!

Outreach Services Program

Who qualifies for this service?

Any person with a library card or who is eligible for a card who is home-bound because of injury or illness, or does not have transportation to the library, or cannot easily carry library materials, qualifies to receive Outreach Services.

If you are legally blind, you also can qualify for services through the North Carolina Library for the Blind and Physically Handicapped, and have audiobooks or books in Braille delivered to your home through the mail.

How often will I get items from the library?

A volunteer will deliver to you once a month. They will bring a cloth library bag (or bags) with your materials, and will pick up last month's bag(s).

What about late fees?

Books, audio books and CDs are checked out to you for one year, and DVDs for 42 days. There are no late fees for Outreach patrons.

To sign up, simply call or email us, and we will come visit you and help you fill out an application!

How many items can I check out at once?

Just like any other patron, you can check out up to 50 books, or up to 10 DVDs.

How do I pick what I get?

You can either tell us specific books/movies/CDs you want, or you can let us pick for you. The Outreach application has a section for the types of books (or movies or CDs) you like, your favorite authors/actors/musicians, and what you dislike as well. Most patrons do a bit of both, and select some items, but allow us to select others.
